LAST WEEK'S

MAN OF THE MATCH

Tom Carlon took the award at home on Saturday after an impressive 2 goals and 2 assists in his season debut for Lightning. On the road in Telford, it was Ross Green who impressed, adding a second goal to his weekend tally and playing physical hockey to win the puck.

PLAYER PROFILE

Joe Wilson is MKL's Assistant Coach. 27 year old Joe had a playing career exclusively in Peterborough where he appeared at junior and NIHL2 level, before moving into coaching in 2017/18 as Assistant Coach of the Peterborough Phantoms NIHL 2 side. Joe then moved to Chelmsford Chieftains as Head Coach in a role which he held for nearly 4 seasons before moving on in March 2022. Joe joined MK in the summer of 2022 and works alongside Tim Wallace in running and developing the MKL team.

COACH'S COMMENTS

It's a huge game Thursday and we will prepare the same way as usual. The only difference is it's a six period game, which most of these guys have been a part of so it shouldn't be that much of an adjustment. It's a rivalry game at home, that we are looking forward to. We have to be ready to battle and get the crowd behind us in this first leg.

MHA MacIntyre Hudson are delighted to sponsor tonight's game and wish the team the best of luck in the semi-final. We are proud to partner with the MK Lightning and watch on with admiration as the Management of the Club invest their time in building a Club that Milton Keynes can be proud of. It has been fantastic over the past few weeks to see attendances of over 2,000.

We look forward to watching the Club and its loyal fanbase grow over the years to come.

NOTABLE PLAYERS

20 year old Austin Mitchell-King is with Peterborough on a 2-way with Coventry. Austin starred for Telford last year, picking up 35 points in 47 games, and really showing his development as a player. He's skilled and active on offence and could be in the points tonight.

Lukas Sladkovsky signed from Raiders where he scored over a point per game last year. So far this year, he seem's re-energised in his new club, and creates scoring chances and makes a nuisance of himself all over the ice.

24 year old Martins Susters was born in Latvia but is a British trained player. He brings a lot of experience across the British leagues as well as some time in Latvia. Since re-joining Peterborough slightly after the start of the season, Susters has made a big impact scoring more than a point per game.
