Bobby Chamberlain is well known to Lightning fans as has made his return to Hull this year. A fierce competitor, he is always a scoring threat and is more than happy to get in the heads of the opposition.

28 year old Czech Emil Svec joined Hull last year and scored 61 points in 31 games. He's a big presence on the ice and causes defencemen all sorts of problems with his direct playing style.

D-man Brock Bartholomew is Canadian and has played junior hockey in Canada before a couple of seasons in Sweden. He will bring physicality to the Hull defence.
