

## ONLINE RAFFLE - SUPPORTING ADAM JOHNSON'S FAMILY

Both MKL and the MKLSC have jointly decided to organise an online raffle featuring exclusive MKL Jerseys, each with the number 47 and the name JOHNSON on the back, symbolising our unwavering support for the essence of the #hockeyfamily.

The online raffle will include the following 5 jerseys:

4 will showcase this season's designs, all adorned with #47 and bearing the name JOHNSON on the rear, in Dark, Light, Warm Up and Pink.

The fifth is the #28 Wallace dark league shirt, which was worn during the game against Bees on March 25th, 2023, featuring the authenticity patch from the game.

Dave Bunyan, of the MKLSC, has personally reached out to the Nottingham Panthers today and has received confirmation that all proceeds generated from this raffle can be donated to the official Nottingham Panthers GoFundMe page, which is being established to provide vital support to Adam's family during this challenging period.

The online raffle is open now, and will close on Sunday evening.

While this raffle can not change the awful events of Saturday, we hope that it will help support Adam's family in their time of need.

## REMEMBRANCE DAY 2023

This year, we will be commemorating Remembrance Day at our fixture on Friday the 10th November against Swindon Wildcats. During that fixture, we will play in our commemorative jersey, and will welcome representatives of the Royal British Legion to join us for a presentation ceremony.

50% of the profits from the cost of the Own & Loan Jerseys, as well as the sale of the replicas, will be donated to the Royal British Legion.

## NOTABLE PLAYERS

30 year old Dominic Gabaj from Slovakia is a points scoring machine for Bees this year. He's scored 12 goals and 18 assists for 30 points in just 11 games in a tremendous start to his year. He's a very deangerous attacking threat for Bees.

25 year old Marcel Balaz is also from Slovakia and has scored 28 points in 11 games, including 13 goals. He's made a huge step up in points production since joining from the Bison in the off season and combines well with Gabaj on the ice.

29 year old Stuart Mogg is Bees' Captain and is an influential, reliable and versatile defenceman. He grew up in the Slough and Basingstoke junior systems and is now in his 5th season with the Bees organisation.

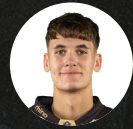

## LAST WEEK'S MAN OF THE MATCH

Carter Hamill bagged 2 goals and the MoM on Saturday in the home win over Telford Tigers. These were his first MK Lightning goals.

## CALLUM FIELD PLAYER PROFILE

Born on August 3, 2004, in Northampton, Callum Field is a centre. Towering at 6'5" and weighing 201 lbs, Field shoots right and has been associated with Milton Keynes and Sheffield as his youth teams.

His standout season was the 2022-23 campaign with the Milton Keynes Lightning in the NIHL, where he recorded 15 points in 55 games, consisting of 12 goals and 3 assists.

With a combination of height, skill, and determination, Callum Field is a promising talent for the Lightning, bringing both size and skill to the centre position.

## COACH'S COMMENTS

What happened last Saturday has shaken the entire hockey world. We as a club are heartbroken for everyone involved and send our love and prayers to Adam's family and friends.
