COACH'S COMMENTS

Two good teams battling it out in a playoff type environment is what being a hockey player is all about. Saturday at home our first period was decent, but our second and third was some of the best hockey we've played all year. The crowd was behind us and Will played great for us. That was very important for us to get those two points to start the weekend.

Sunday in Leeds we were in control for the first two periods. Then the ref made a call that put us on a 5 on 3 to start the third they scored just as it was winding down to tie it up. Then one breakdown and it's in the back of our net and we were playing catch up late in the game. I'm happy with the way we played on the weekend. We have to play at that level against a solid Sheffield team on Saturday.
