COACH'S COMMENTS

We knew Fridays game was going to be tough. We didn't have the start we wanted and made way too many mental lapses as the game went on. We did some good things but it has been a long summer and we just didn't have enough. As tough as the game was it will help us in the long run.

Saturday was a fast paced game that could have gone either way. We played a lot better and started to see glimpses of how we want to play. Obviously we have some things to clean up and some chemistry to find but all in all it was a good test and a good weekend for us. It will be interesting to see how we stack up against the Bees they have some dangerous players that we have to be aware of. We will focus on us and keep getting better. It is amazing to be back at it and each and every one of us love the excitement our fans brought us that first weekend.
