COACH'S COMMENTS

On Saturday we came out flying and had a great start with the fans behind us. We took our foot off the gas and gave The Bees some life in the second and third periods. We know this can't happen and talked about it leading into Sunday.

On Sunday we found ourselves in the same situation in the third period up by a goal. We were focused and played aggressively but smart to finish out the game. Playing with the lead is a mentality that we have to instill in the group as quick as possible. That third period was a great way to lead us into the season.

Romford have some high end players up front that we need to be aware of. We want to have a great start, be hard to play against and make Milton Keynes a tough place to play. We are all excited to get the season started. Speaking for the team we all appreciate the energy and support you bring us week in and week out.

On Saturday, Harry Gulliver was awarded the Man of the Match for his outstanding performance against the Bees, contributing significantly with two goals and an assist in a hard-fought home game. The following day, Milique Martelly claimed the MOM honor after scoring the opening goal just 3:52 minutes into the game against the Bees, setting the tone for another intense encounter.
