In 27 games, Grinell-Parke contributed 6 points (1 goal, 5 assists), playing a crucial role in supporting the team's offensive efforts while also being reliable defensively. His contribution in the playoffs included 1 goal in 6 games, highlighting his ability to step up when it matters. Grinell-Parke's physical play was evident throughout the season, as he accumulated 36 penalty minutes, demonstrating his readiness to engage in the more rugged aspects of the game. His all-around game makes him a valuable role player for the Lightning.

COACH'S COMMENTS

It wasn't the prettiest of games against Sheffield but we found a way to get the two points. The effort was there and we had some good looks to get rewarded. Some mental lapses need tightening up but I am proud of the effort the guys put in. We have to keep learning week in and week out because it doesn't get any easier.

We have two tough games this weekend. The Bees on the road is always a challenge and then Solway at home on Sunday who have been playing well as of late. We will push ourselves this week, keep learning and take it one shift at a time. The crowds have been great so far and we have to feed off that energy and play smart, relentless hockey.

NOTABLE PLAYERS

Olivier Arseneau made a significant impact in his first season with the Solway Sharks in 2023/24, recording an impressive 55 points (10 goals, 45 assists) in 54 games. His offensive contributions from the blue line, combined with his physical play, make him a cornerstone of the Sharks' defense. Arseneau's ability to drive play and create scoring opportunities will continue to be crucial for Solway in the upcoming season.

Caly Robertson brought his offensive talent to the Solway Sharks in the latter half of the 2023/24 season, recording 30 points (14 goals, 16 assists) in 30 games. Robertson's ability to play on either wing and his knack for finding the back of the net make him a dangerous player in the NIHL. As he gears up for a full season with the Sharks in 2024/25, Robertson is expected to be a key contributor to the team's offensive success.

John Dunbar was an offensive powerhouse for the Solway Sharks in the 2023/24 season, leading the team with 94 points (23 goals, 71 assists) in 54 games. His playmaking abilities were on full display, helping the Sharks to a successful campaign. Dunbar's experience and vision on the ice make him one of the most dangerous forwards in the NIHL, and he will be a key player for Solway in the 2024/25 season.
