PLAYOFF GAMES

Should MK Lightning qualify, there will be three more home games as part of the playoffs. The top eight teams in the league progress to this stage, forming a mini-league. Teams will battle it out to secure a place in the semi-finals and final, which are held at a neutral venue in Coventry on 19/20th April.

NOTABLE PLAYERS

Bobby Chamberlain had another strong season with the Hull Seahawks in 2023/24, registering 69 points (28 goals, 41 assists) in 43 games. Chamberlain's physical presence and leadership on the ice were pivotal during the playoffs, where he tallied 16 points (11 goals, 5 assists) in 6 games. Known for his hard-nosed style and ability to come through in clutch moments, Chamberlain will continue to be a key figure for the Seahawks.

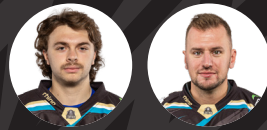

Owen Sobchak made an immediate impact after joining the Hull Seahawks mid-season in 2023/24, posting 48 points (19 goals, 29 assists) in just 19 games. Sobchak continued his strong play into the playoffs, where he notched 16 points (5 goals, 11 assists) in 6 games. With his dynamic playmaking skills and scoring ability, Sobchak is expected to be a central figure in the Seahawks' offense in the upcoming season.

Emil Svec had an outstanding 2023/24 season with the Hull Seahawks, leading the team with 111 points (56 goals, 55 assists) in 54 games. Svec's combination of size, skill, and scoring ability made him one of the most feared forwards in the NIHL. His playoff performance was equally impressive, contributing 13 points (4 goals, 9 assists) in 6 games. Svec's ability to dominate in the offensive zone will be crucial for Hull's success in the 2024/25 season.

RECENT MATCHES

MAN OF THE MATCH

Friday night saw Mack Stewart crowned Man of the Match, after his relentless work ethic across the ice helped secure a dramatic 5-4 victory in a penalty shootout - a vital away win for the team. The following night it was James Griffin who earned MOM honours. Celebrating his 400th league appearance during his Testimonial year, Griffin showcased his skills by creating scoring opportunities, delivering timely hits, and working tirelessly throughout the game.

JORDAN HEDLEY

PLAYER PROFILE

Jordan Hedley was a key figure in goal for Milton Keynes Lightning during the 2023/24 NIHL season. Hedley played in 25 games, posting an impressive 2.47 GAA and a .923 save percentage, solidifying his role as the team's starting goaltender. In the playoffs, Hedley maintained a solid 3.00 GAA and a .897 save percentage over 6 games. His consistent performances and ability to make crucial saves in high-pressure situations have made him a cornerstone of the Lightning's defense.

COACH'S COMMENTS

Friday in Romford we knew would be a tough game. Our first period was the worst we have had in a long time. It was the wall play and mental lapses that stood out and made things difficult for us. We regrouped in the intermission and 5 solid periods after that. We are starting to gel as a team and starting to buy in. When we play with pace, structure and grit I like our chances.

Saturday we just kept with it and the floodgates started to open late. Their goalie played very well and made it difficult early on. The crowd was awesome again and definitely got us going. We expect another battle on Saturday against Hull who have been playing some good hockey lately. We know how we need to play and need to continue to stay discipline. Let's keep this train rolling.
