JAMES GRIFFIN TESTIMONIAL

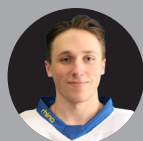

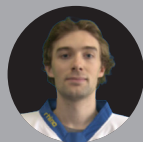

PLAYERS

Mac Howlett was a crucial part of the Leeds Knights' attack in the 2023/24 NIHL season, registering 73 points (35 goals, 38 assists) in 53 games. His ability to play both center and wing adds flexibility to the Knights' lineup. Howlett's playoff performance was also notable, contributing 15 points (6 goals, 9 assists) in 8 games. His offensive output and versatility make him an indispensable asset for Leeds as they aim for another strong season in 2024/25.

Kieran Brown once again demonstrated why he's one of the top players in the NIHL during the 2023/24 season, leading the Leeds Knights with an astounding 122 points (61 goals, 61 assists) in 52 games. As team captain, Brown's leadership on and off the ice is invaluable, guiding the Knights through a successful campaign. His playoff numbers were equally impressive, with 14 points (7 goals, 7 assists) in 8 games. Brown's scoring ability and leadership will be pivotal as Leeds Knights pursue further success in 2024/25.

In his first full season with the Leeds Knights, Bowdyn Neely established himself as a solid two-way defenseman. During the 2023/24 NIHL season, he contributed 35 points (5 goals, 30 assists) in 54 games, demonstrating his ability to support the offense while maintaining his defensive responsibilities. Neely also added 6 assists in 8 playoff games, showcasing his consistency in high-pressure situations. His steady presence on the blue line will be crucial for the Knights in the upcoming season.

RECENT MATCHES

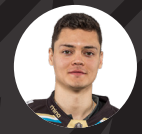

MAN OF THE MATCH

In Saturday's home game against the Peterborough Phantoms, Milique Martelly earned Man of the Match for his well-taken goal. On Sunday night in Romford, Jordan Cownie took the award with an impressive three assists, setting up crucial goals in MKL's thrilling 4-3 overtime win. A massive two points secured as we head into this weekend's top-of-the-table showdown with the Leeds Knights!

DILLON LAWRENCE

PLAYER PROFILE

Dillon Lawrence was a dominant force for Milton Keynes Lightning during the 2023/24 NIHL season, leading the team with an impressive 86 points (45 goals, 41 assists) in just 46 games. His offensive contributions were critical to the Lightning's success, consistently finding the back of the net and setting up teammates. Lawrence's performance in the playoffs was solid as well, adding 5 points (2 goals, 3 assists) over 6 games. Known for his offensive flair and ability to change the game's tempo, Lawrence's skillset makes him one of the most exciting players to watch in the league.

COACH'S COMMENTS

We would like to forget about Saturday. We weren't focused on the game-plan and the execution just wasn't there. The willingness to get to the net was lacking and their goalie played a great game. Sunday we came together as a group in the third period and bought in and found a way to win. It was a character win and we showed some resilience. This is exactly what we are going to need down this final stretch.

What an opportunity we have this Saturday, let's get the crowd behind us early and not look back.
